RIGGINS LOSES OUT

Court of Appeal Decides Against the Mayor of Waco.

MAY APPEAL HIGHER

The Decision of the Court Gives the Right to Proceed With the Impeachment Proceedings, Dis-solving the Injunction.

Austin, Oct. 29.—The court of civil appeals has affirmed the case of J. W. Riggins vs. W. H. Thompson, et al.

McLennan county, thereby deciding against Mayor Riggins in his impeachment proceedings.

Action was brought by the mayor of Waco to restrain the board of aldermen and city council from removing him from office. The trial court granted a temporary injunction which, upon motion, was dissolved and the case dismissed for want of equity in the bill.

The court held that the appellant has no right in equity and the question can be settled by quo warranto concluding as follows:

"We are of the opinion that the appellant has adequate remedy at law, therefore there was no error in the judgment of the court in dismissing the case. Having reached this conclusion, it is not necessary that we should pass upon other questions raised in the briefs."

The Waco council can now proceed with injunction proceedings.

Mayor Riggins' attorneys say they will take the case to the supreme court of the United States if necessary on the ground that Mayor Riggins is being deprived of property without due process of law.

ATTEMPTED SMUGGLING.

A Chinese Steward Gets into Trouble Over Eighty Pounds of Opium.

Seattle, Wash., Oct. 29.—Eighty pounds of opium, which a Chinese steward on the coast survey steamer Gedney will be seized by customs inspectors here. Eight parcels worth in the aggregate \$1024 were found in the steward's department.

Gong Gee, the steward, is in the county jail awaiting trial for attempting to smuggle a countryman by the same points on the same voyage.

A strange feature is the smuggler's cool nerve in selecting a government vessel for a vehicle with which to carry on his illegal practice. Secretary Shaw's young son, a guest on the Gedney, was induced by some representative of the Celestial to say that Gong Gee wanted his effects thrown overboard. This gave the officers the cue to search for the opium.

Husband and Wife Indicted.

Watertown, N. Y., Oct. 29.—Louis Richman, a wealthy manufacturer of New York, and his wife have been indicted by the grand jury of this county on a charge of grand larceny in the first degree in having taken a diamond necklace valued at \$25,000 and \$427 in money, the property of Mrs. Delabarre, also of New York, at Alexandria Bay on July 1. Mr. Richman was arraigned and pleaded not guilty. He was released under bond of \$5000 and the trial was set for the December term. Mrs. Richman recently was adjudged insane and committed to a sanitarium.

The Crew Mutinous.

San Francisco, Oct. 29.—A story of mutinous conduct on the part of the crew and the leaving of the men on one of the Ladrone islands is brought back by the bark Gayhead. The whaler sailed from this port nearly a year ago with a crew made up for the most part of Chilians and Mexicans. They became surly and discontented and were left at Guam and their places were filled with Ladrone islanders.

An Unknown Man Killed.

Fort Worth, Tex., Oct. 29.—An unknown man was run over and instantly killed here by a Rock Island train in the east part of the city. The body was frightfully mangled. Nothing was found on his person to serve to identify him. He was moderately well dressed and appeared to be about 25 years old. It is believed the man had been drinking and fell asleep on the track.

Lost Five Million Dollars.

Chicago, Oct. 29.—In ten years the city of Chicago has lost \$5,610,000 in uncollected taxes. A report showing this and declaring the tax assessing and collecting methods full of errors, abuses and mysteries, has been placed in the hands of Comptroller McGann by expert accountants, who have been examining the books of the county treasurer.

Killing Near Durant.

Durant, I. T., 29.—Jim Hatcher was shot and killed about seven miles south of here with a six-shooter. The killing was the result of a disagreement of several months' duration. Robert Robinson came in and surrendered to the officers.

AN EXCITING CHASE.

Sheriff's Race to Save a Young Woman from Private Asylum.

Valparaiso, Ind., Oct. 29.—An exciting race between Sheriff Lacount of Porter county on one side, and City Marshal Billings of Valparaiso and Dr. J. C. Sharpe of Jacksonville, Ill., upon the other, with the liberty of a young woman the stake, set this city wild late Tuesday afternoon. The objective point was the Pennsylvania depot and upon the result of the contest hinged the freedom of Miss Stella Josephine Teller, a distant relative of United States Senator Teller of Colorado.

It is said Miss Teller, after some family trouble concerning certain property, was placed, six months ago, in a private insane asylum at Jacksonville, Ill. She escaped from that institution three months ago and came to this place, where she has quietly resided since her escape. Recently she engaged legal counsel and prepared to file a suit for \$50,000 against one of her brothers for her asylum experience. This step revealed her whereabouts and Dr. Sharpe of the Jacksonville institution came here to take her back. Arriving here Dr. Sharpe enlisted the services of City Marshal Billings and went direct to the hotel where she was staying, placed her in a hack and started post haste for the Pennsylvania depot. Her attorneys were apprised for the sudden turn of affairs and hurried to the depot with a habeas corpus writ, arriving two minutes before the train pulled. Sheriff Lacount by a remarkable burst of speed caught Dr. Sharpe and his unwilling protege as the train started to pull out of the station. The Jacksonville physician was compelled to release his former patient. The affair created intense excitement.

RIGHT TO ITS NEWS.

Telegraph Company's Proprietary Does Not Cease With its Patrons.

Chicago, Oct. 29.—An important principle of law was established Tuesday when Judge Jenkins, Grosscup Baker and Bunn of the United States court of appeals, handed down an opinion to the effect that the Western Union Telegraph company has a right of property in the news which it gathers and that such right does not cease when the news is published on the tickers rented to its patrons. In laying down this new principle, the court of appeals affirms the decisions of the lower court and forever enjoins the National Telegraph News company, the Illinois Commission company and other defendants from using the quotations in question.

KING INFLUENCED.

Former Deposed Official of Samoa Helps King Oscar in His Decision.

Washington, Oct. 29.—The officials here find an ample explanation of the adverse decision of King Oscar in the matter of the Samoan claims, in the statement that comes from Stockholm to the effect that the king's decision was influenced by three jurists, one of whom was M. Cederkrans, one time chief justice of Samoa. It is stated that while filling that important position, M. Cederkrans came into frequent collision with Judge Chambers, the American land commissioner, who afterwards succeeded Cederkrans as chief justice and it is believed that the personal ill feeling that followed undoubtedly influenced the character of the advice given to King Oscar.

Smallpox in Ellis.

Ennis, Tex., Oct. 29.—County Health Officer Shytle, of Waxahachie, was here Tuesday and reported finding a negro with a severe case of smallpox near Telico, about eight miles east of Ennis. The negro came there from Rosser, where there are several cases reported. Four or more other negroes have been directly exposed.

Twenty Thousand for a Leg.

Sherman, Tex., Oct. 29.—In the case of J. W. Owens vs. the Missouri, Kansas and Texas railway, the jury returned a verdict of \$20,000 in favor of the plaintiff. This is one of the heaviest findings in a damage suit known in the court here for a number of years. The plaintiff lost his left leg.

Peterson Is Dead.

Yoakum, Tex., Oct. 29.—James R. Peterson, who was stabbed on the street in Yoakum Sunday afternoon at 3:30, died at the home of his mother in Yoakum. R. A. Hamby, who was arrested immediately following the enactment of the crime, is in the Cuero jail.

REV. G. W. BRIGGS IN TROUBLE.

A Paducah, Ky., special says in an altercation Monday afternoon Rev. G. W. Briggs, pastor of the Broadway Methodist church, stabbed and seriously wounded T. J. Garr, proprietor of a fashionable boarding house. The preacher's 11-year-old son was out in the kitchen teasing Mrs. Garr, when she called to her husband to take the child away. Mr. Garr is said to have told the child to go up stairs to his parents, and ran toward him. The boy, in fleeing, struck the stair and was stunned. Garr picked him up and carried him up stairs. The boy's cries attracted the father, who ran out, and following a warm discussion a fist fight ensued, ending, it is said, by the preacher stabbing Garr with a pocket knife as the latter fled down the stair. It is thought the blade penetrated to the hollow near the kidneys.

BLIZZARDS!

Local option has been in effect at Madisonville for a considerable time, but a saloon has been conducted outside of the town.

Whitecapping at Millican.

County Attorney M. Nagle returned from Millican yesterday and reported an infamous attempt had been made to frighten an inoffensive German, Mr. G. H. Nuske, and make him leave the county. Mr. Nuske lives about one mile from Millican, and some party or parties have attempted to scare him away by exploding dynamite near his house and putting notices on his fence that he would be hung if he did not leave the country. Whitecapping methods of this sort are cowardly and bear the censure of all good citizens. Mr. Nuske has not gone anywhere yet, and the threats have not been carried out.

FIRE AT DALLAS.

The Property Destroyed Is Small, but a Serious Explosion Occurred.

Dallas, Oct. 29.—A serious fire occurred here at 12:30 o'clock this morning, destroying three stores and complete loss of the stocks of merchandise of Houghton & Co., furniture; New York Store, dry goods, and Bryan & Orme, furniture. Estimated loss on above about \$20,000.

The plant of the Standard Light and Power company, the Model Bakery and a barber shop were damaged. The loss on the electric plant is estimated by the chief engineer at about \$15,000.

The fire is reported to have been first seen in the store of Houghton & Co. It spread rapidly, and about ten minutes after the flames were first seen a terrific explosion occurred in the Houghton store. Debris was blown to the street car tracks on Elm street, scattering the firemen and the crowd in great confusion. It was followed by a cloud of dense black smoke.

When the explosion occurred the firemen were working close against the building, and Fireman Fred Linzen had his arm slightly hurt and Chief Magee was blown half way across the street. Walter Irwin, a fireman, who was on top of the building at the time of the explosion, had his ear cut. Another man, name not learned, who was on a ladder, fell and was slightly hurt. Several others were scratched and slightly cut by broken glass. The explosion blew a showcase full of notions bodily out onto the sidewalk.

Two of the buildings destroyed were owned by Judge Graham of Austin and the third by A. Bruno.

LESS ALARM FELT.

Fright from Earthquake Shocks Subside in Southern Mexico.

City of Mexico, Oct. 30.—The latest news from the southern part of Mexico is that the people are less alarmed over the shower of ashes than at first when the sun being obscured at midday it was feared a general cataclysm was about to occur. In some places rain has come and was most welcome, as it cleared the atmosphere.

Subterranean noises are heard at Tuxtla, Cutierrez, and this phenomenon appears to be general in the district where ashes fell. There were up to Saturday forty-five distinct shocks of earthquake at San Cristobal. Palenque advises that no change can be observed from there in the shape of San Juan mountain, but loud and prolonged explosions are frequent. Ashes fell all day Monday.

Scientific men in Tabasco say that the force required to precipitate such an immense quantity of ashes over so extensive a territory would be equal to 300,000 horse power.

The Indians say that the mountain called Huistepen is in eruption, but this is not confirmed.

GEN. MAJARRES WINS

Defeat of Colombian Rebels Force Leaders to Surrender.

BELIEVE WAR OVER

Generals Uribe-Uribe and Castillo Give up and Turn in Their Guns and Ammunition—Rejoicing at Colon Over Surrender.

Panama, Oct. 29.—The revolutionary general, Uribe-Uribe, with 10 cannon, 2500 rifles and 300,000 rounds of ammunition, has surrendered to General Majarres at Rio Frio, near Santa Marta.

The revolutionary forces under General Uribe-Uribe, which were defeated Oct. 14 at La Cienga, retreated to Rio Frio and took up positions there.

General Majarres, with 2000 men, proceeded against the rebels from La Cienga and engaged the enemy two days later. The government general succeeded in surrounding the rebels and forcing them to surrender. General Castillo was with General Uribe-Uribe.

The news of this victory was received here by General Perdomo and Governor Salazar in a telegram from General Majarres. Full details of the engagement are lacking, but heavy casualties on both sides are reported. The surrender of Uribe-Uribe is said to complete the pacification of the departments of Magdalena and Bolivar. The revolutionists now occupy the isthmus only.

In the fight of Oct. 14 at La Cienga the revolutionary force consisted of 1300 men.

General Castillo, who surrendered with Uribe-Uribe, is about 50 years of age, and previous to joining forces with Uribe-Uribe was a guerrilla general who gave the government a great deal of trouble.

News Brought to Colon.

Colon, Oct. 29.—The government gunboat General Pinzon arrived late Tuesday afternoon from Savanilla. She was especially sent from that port by the department of Bolivar to bring to the isthmus news of the defeat of the revolutionists under Uribe-Uribe at Rio Frio Frio. Two generals were made prisoners.

There is much rejoicing in Colon and Panama over the success of Gen. Majarres, and especially over the capture of Uribe-Uribe.

Wreck on the Choctaw.

Paris, Tex., Oct. 29.—In a wreck on the Arkansas and Choctaw railroad four miles west of Fort Jowson, I. T., four persons were injured. The train was a mixed train and the wreck was caused by the steam shovel in front of the caboose and passenger coach turning over. A man named Maddox, who lived at Checotah, this county, and who was in the cab of the steam shovel, sustained a broken shoulder and injuries in the back. Two unknown men in the caboose were hurt, but the extent of their injuries was not learned. Mrs. J. H. Doster, formerly of this county, who was in the passenger coach, was seriously injured in the spine.

Almost Beaten to Death.

Vicksburg, Miss., Oct. 29.—Robert Woodard, a negro, was beaten almost to death by a mob in the county jail yard at 1:30 o'clock this morning. On Monday evening Woodard entered the home of R. L. Crook, Jr., and finding no one at home but Mr. Crook's 12-year-old sister, seized her roughly by the arm and demanded something to eat. Just then the girl's brother appeared and the negro took flight. He was later arrested and lodged in jail. The mob scaled the jail walls, overpowered the jailer, stripped Woodard and beat him unmercifully with rawhides.

Accidentally Killed.

Abilene, Tex., Oct. 29.—Supervising Architect O'Connor of the state epileptic colony buildings, and who lived at Austin, was accidentally killed here Tuesday by the discharge of a shotgun in his own hands. The dead man, in company with Contractor Shurr of the epileptic colony, D. B. Wolfe and J. E. Ritchie, was out on a little lake to spend the day hunting and fishing, and while in a small boat Mr. O'Connor's gun was accidentally exploded.

Prominent Farmer Suicides.

Knoxville, Tenn., Oct. 29.—John W. Poston, aged 72, a prominent farmer living near Harriman, committed suicide by blowing the top of his head off with a shotgun. He quarreled with his wife, then had his will drawn, leaving all his property to his children, took his shotgun and walked to the stable and suicided.

Dewey's Prize Money Case.

Washington, Oct. 29.—The United States supreme court Tuesday heard arguments in the case of Admiral Dewey against the United States in involving the claim of the admiral and other members of his crew for prize money on account of freight vessels captured in connection with the battle in Manila bay. The total claim amounts to half a million dollars.

Ranchman Murdered.

Bear Mouth, Oct. 29.—James Conn, a wealthy ranchman on Willow Creek, was found shot to death in his home Tuesday. His mother lay upon the floor with her skull crushed and can not live. The murder is thought to be the lone bandit who held up the train on the Great Northern Friday morning.

STILL ISSUING LAVA.

Earthquake Shocks and the Santa Maria Volcano Causing Alarm.

Guatemala, Oct. 29.—There have been serious earthquakes throughout Guatemala and the volcano of Santa Maria is still in great eruption. There were tremendous detonations, like heavy cannonading, at 5 o'clock Tuesday morning.

The Santa Maria volcano has thrown a deep mantle of ashes upon the town of Quezaltenango, which has been partly rebuilt since the earthquake of last April, and upon the town of Mezaltenango. The volcano is near both of these places.

All towns, villages and plantations near the volcano have been abandoned and the residents are fleeing to places of safety. The entire republic is in a disturbed condition, owing to the seismic waves.

Guatemala City, although more than 100 miles from Santa Maria, hears its continuous thundering.

Details of the eruption are not obtainable owing to the Guatemalan government taking possession of all telegraph lines in the interior.

GUNBOAT LAUNCHED.

One of Five to Be ERECTED in Japan Is Launched Without Incident.

San Francisco, Oct. 29.—The Japan Gazette of Oct. 16 gives an extended account of the launching of the Romblon, the first United States gunboat ever built in Japan. The launching was in connection with the official opening of the works of the Uruga and Ishikama dock companies, on Oct. 15.

The gunboat is one of five ordered for service in the Philippines. The vessel was christened by Miss Evans, daughter of Admiral Robley Evans, who broke the usual bottle of champagne. At the same time a paper cage at the bow was cut and a number of white doves were liberated, the air being filled with paper blossoms which they scattered in their flight. As the boat slid into the water the whistles blew and bands played the "Star-Spangled Banner." The ceremony was witnessed by 250 invited guests.

MITCHELL DAY.

Miners in the Anthracite District Honor Their Leader.

Wilkesbarre, Oct. 29.—Mitchell Day was celebrated by all union miners in the anthracite region to-day. There was a general suspension of work. Few washers are working, but their output of coal is very small.

There were demonstrations in many near-by towns, and after the parade people flocked to Wilkesbarre in large numbers to see the big parade.

Mitchell day was observed at Shamokin. Seven thousand United Mine Workers, headed by the Tenth regiment band and troops, paraded the streets, after which the mine workers were addressed by several labor leaders.

MORE ARE COMING.

Four Hundred Bonkhobors on the Way and Three Hundred Desert Villages.

Yorkton, Assiniboin, Oct. 29.—Word has been received by immigration officials here that in addition to the 1300 Bonkhobors who arrived here Tuesday 400 more are on the road and 300 are preparing to desert their villages and farms. Leaders of the fanatics have no practical nor definite idea as to their future action. They desire, they say, to convert the people and find "new life." One child died here. The religion-crazed settlers look much worse from their abstinence from the use of meat, their sparse diet and long tramp. Immigration officials have not decided what to do with the wanderers.

Railway Association Meet.

St. Louis, Oct. 29.—At the meeting of the executive officers of the Western and Southwestern railways held here in response to a call issued by James V. Mahoney, chairman of the Western Trunk lines commission, the old agreement as to issuance of passes to officials and employees of the lines interested was practically reaffirmed. A committee of three was appointed to confer with trunk line officials on the pass question as follows: Darius Miller, vice president of the Burlington; J. T. Harahan, vice president of the Illinois Central, and A. C. Bird, vice president of the Chicago, Milwaukee and St. Paul. James V. Chief Old Tabby Dead.

Price, Utah, Oct. 29.—Old Tabby, chief of the Uintal Utes for as far back as the memory of the oldest inhabitants runs, is dead near White Rock agency, aged 104 years. He was in the early days the special friend of Brigham Young, and did much in his time to preserve peace between his people and the whites.

ROBBED BY HIGHWAYMEN.

A Saloonkeeper in Wisconsin Relieved of Eight Thousand Dollars.

Appleton, Wis., Oct. 29.—Martin Cornelius, a wealthy saloon keeper of this city, was held up and robbed of \$8000 late Tuesday night. Cornelius was in Oshkosh Tuesday when he intended purchasing some real estate and this accounts for his having such a large sum of money on his person at the time of the robbery. He left the latter city about six o'clock and arrived at Appleton shortly before 9 o'clock.

Leaving the interurban car at the corner of Pacific and Bates avenue he met two men who confronted him and ordered him to throw up his hands. One of the men held Cornelius' hands to his back while the other covered him with a revolver and went through his pockets. The money which was in one roll and consisted of bills ranging in denomination from \$10 to \$500 was carried in his inside vest pocket.

After securing the roll the robbers then warned Cornelius against making any outcry and then disappeared down a dark side street. No clew to the highwaymen has been found.

TIED THE MARSHAL.

Robbers Then Dynamited a Bank, Get \$4000 and Escape.

Chicago, Oct. 29.—After binding and gagging the town marshal of Gardner, Ill., late Tuesday night, five masked men entered the Exchange National bank, blew open the vault and escaped with \$4000. Gardner is 65 miles from Chicago on the Alton road.

The marshal is the only policeman there and everybody else in the town was asleep. The vault was blown open with dynamite and the inside of the bank wrecked.

After leaving the bank they took the marshal to the school house, tied him to a chair and put rope around his neck. The chair was placed at the head of the stairway so that if he struggled to release himself he would fall down the stairs and hang himself. The robbers took the train which left at 4:40 for Chicago.

THREE GIRLS KILLED.

A Posse Is Killed for a Negro Who Committed the Crime.

Wynne, Ark., Oct. 29.—Thomas Gibson, a well-to-do negro farmer, returned home from a circus and found his daughters, Mary, aged 17, Sophie, 12, and May, 10, dead, with their heads crushed to jelly. One of the girls had been subjected to the most atrocious indignities. Posse, both black and white, formed and arrested David Cross, a negro, who denied any knowledge of the crime. Finally he confessed that a negro, Johnson by name, committed the terrible deed. The posse are now hunting Johnson.

Alton Employees Will Get Raise.

Chicago, Oct. 29.—Eight thousand shopmen employed by the Chicago and Alton railroad are to get an advance in wages of 2 cents an hour, beginning Nov. 1. The increase will approximate \$10,000 and will affect the machinists, boilermakers, repairers and general handy men in all the shops of the system. The men filed a demand for an advance a month ago, and asked for a flat increase of 20 per cent. This road was not willing to grant, but compromised on 10 per cent.

Supposed Bandit Released.

Missoula, Mont., Oct. 29.—Van Handoort, who was held on suspicion of being the lone bandit who held up the Northern Pacific train at Bear Mouth last Friday morning, has been released by the authorities.
